

SEPTEMBER 5 – ALL THINGS NEW DIGITAL MISSION PLAN

Purpose: To prepare every member to participate intentionally in the #ALLTHINGSNEW digital mission initiative on September 5 – using our phones, social media platforms, and personal networks to make Jesus visible and connect people with Bible study.

BEFORE SEPTEMBER 5 – PREPARE

1. **Download Your Scripture Design | By August 31**
Download (<https://bit.ly/allthingsnew-SID>) one of the prepared Scripture designs about the Messiah or create your own unique Christ-centered design. Have it ready for September 5.
2. **Consecrate Your Digital Space | September 1, 7:00 AM**
Dedicate your phone, social media accounts, influence, and online relationships to God for mission. Pray specifically that God will use your digital presence to reach someone through ALL THINGS NEW.
3. **Join the LIVE Prayer Session | September 1, 7:00 PM, CAT**
Join the special LIVE prayer session in English, Portuguese, and French on the SID social media platforms as we pray together for the initiative and the people we hope to reach.
4. **Prepare and Pray Over Your Post | September 2–4**
Prepare your September 5 post in advance. Make it personal, simple, biblical, and Christ-centered. Pray specifically for the people who will see, share, or respond to it.
5. **Connect with Official Church Platforms**
Follow your Local Church, Conference, Union, Southern Africa-Indian Ocean Division, and General Conference social media accounts. This will make it easier to amplify official content throughout the initiative. 6. **Join the SID WhatsApp Channel**
Follow the [SID WhatsApp Channel](#) for resources, content, reminders, and updates.

SEPTEMBER 5 — POST

7. **Bring Your Phone to Church**
On September 5, every member who has a smartphone is encouraged to bring it to church, charged, with enough data, and ready for mission.
8. **Post Together**
At the designated time (Suggested Time: 11 AM – 12 Noon) announced by the Pastor or Elder on Duty, have congregational prayer time, then post the prepared image or your own Christ-centered message on your social media accounts.
9. **Remember to:**

- a. Use these hashtags always #ALLTHINGSNEW #ONEVOICE27 #HOPESTARTSHERE #YOURLOCALLANGUAGE
 - b. Post to your Stories/Status as well as your main feed.
10. The goal is not simply to generate posts or – it is to create opportunities for people to encounter Jesus and begin studying the Bible.

AFTER YOU POST — ENGAGE (after church)

11. Respond to People

Do not just post and disappear. Graciously respond to comments, questions, and messages. Be warm, respectful, and Christ-centered.

12. Connect Interested People to:

- a. *Prayer Line* - <https://c.awr.io/pfhp/Lets-pray>
- b. *Bible Study* - Connect those interested to the Global Bible School (<https://globalbibleschool.org>) and the Adventist Inbox, where digital missionaries from your Conference will journey with them through Bible study for approximately three months and, where appropriate, connect them with a pastor or local church in their area.

13. Share, Repost and Amplify

Digital mission is also about amplification. Share and repost mission content from your Local Church, Conference, Union, SID, and General Conference platforms. SHARE. REPOST. AMPLIFY.

AFTER SEPTEMBER 5 — CONTINUE THE MISSION

14. Don't Stop on September 5

September 5 should be a launch or a test of your social media strategy, not an ending. Continue sharing Christ-centered content, responding to people, inviting friends to Bible study, offering prayer or connecting them to the prayer line, and using your digital influence for mission.

15. Share Testimonies and Feedback

We want to hear what God is doing. Share testimonies, experiences, suggestions, news (news@sid.adventist.org), and lessons with your Conference or Union and Conference Communication and Personal Ministries Directors, or contact SID through info@sid.adventist.org.

#PPPPPP: PRAY → PREPARE → POST → PARTICIPATE → PURSUE → PROCLAIM

- **Pray** – Consecrate your digital space.
- **Prepare** – Get your content ready.
- **Post** – Share Jesus online.
- **Participate** – Engage comments and conversations.
- **Pursue** – Follow up and connect people to Bible study.
- **Proclaim** – Continue sharing Christ and His message.

On September 5, your phone becomes a mission tool, your social media account becomes a mission field, and your influence becomes an opportunity to make Jesus visible.

One Voice. One Day. One Mission. #ALLTHINGSNEW
